

## USAGE GUIDELINES

Apply a tiny amount of SeaBoost Cream to the skin and spread it around. A little goes a long way. Note: Avoid contact with eyes.

Be cautious about applying it to broken skin. However, some have noted how quickly broken skin can heal if they can tolerate the stinging sensation.

Do not stir or disturb SeaBoost Cream. Just skim a small amount off of the top. When stirred, a fluid will separate from the cream.

# MAX-WELL'S SEABOOST CREAM

*Unleash the Goodness  
of the Sea!*

# ALL NATURAL

SeaBoost Cream is an all-natural skin care product, containing no artificial colors or fragrances. It is helpful for moisturizing and supporting healthy skin.

The ocean is a rich source of trace minerals. SeaBoost Cream nourishes the skin, helping the skin to heal itself.

SeaBoost Cream is made with a blend of the following beautifully raw ingredients:

Sea Minerals, Olive Oil, Coconut Oil, Argon Oil, Macadamia Oil, Jojoba Oil, Avocado Oil, Beeswax, Sea Collagen, Supa Yew, Papaya, Sheep Sorrel, Coleus Amboinicus, Stinging Nettle, Pacific Yew and Nasturtium.

**Shipping included in price  
ON ALL MAX-WELL PRODUCTS!**

## SUGGESTED USES

**Minor Skin Irritation** – SeaBoost Cream may provide the nutrients to support skin healing. Note: SeaBoost Cream may sting if applied to broken skin.

**Dry, Cracked Skin** – Apply a light film and work in a bit. Apply as needed. SeaBoost Cream can help to moisturize and nourish skin, while supporting overall skin health.

**Skin Growths** – Providing your skin with the nourishment it needs may help prevent skin growths, and may help support the treatment of them, as well.

**After Sun** – The nutrients in SeaBoost Cream may promote skin healing.

**Skin Vitality** – Use daily to defend against premature aging of the skin and promote a youthful, healthy glow.

## CUSTOMERS ARE EXCLAIMING

\*Customer Testimonials are the customers' own experiences, and as such are not a guarantee of outcome. Customer statements have not been evaluated by the FDA

- The SeaBoost Cream is working great. I've had psoriasis for 5-6 years. I've tried everything and nothing has helped. Other products have made my face red and itchy. I've used SeaBoost Cream for one month now and it is working great! It relieves the redness and itchiness and flaking skin.  
- Mary, OH
- I love the SeaBoost Cream and I am happy with the cream, especially that it has no smell. I have been using it on my forehead. I have been having some spots like small little bumps that I was concerned about. I use it in the morning and in the evening. My forehead looks awesome. My face looks younger. I have been using extra cream in the evening. I wish I had a before and after picture to show.  
- Dora, IN
- I have been using SeaBoost Cream on my face for one month now and my face never looked that smooth for years. Probably not since I was a baby!  
- Titus & Kathryn, KY

## A NOTE OF CAUTION

Eczema – SeaBoost Cream is **not** recommended for Eczema, or any other condition where the aim is to dry out a weeping condition.
